

# Virtually Earn No-Cost Continued Medical Education (CME) Credit

Weitzman ECHO is providing specialty support for primary care providers seeking to gain expertise in the management of certain complex illness and conditions. California Health & Wellness Plan (CHWP) and Weitzman ECHO are providing one-year programs to Health Net providers focusing on Medication Assisted Treatment (MAT) and Key Populations.

<b>Eligible population</b>	All primary care providers (physicians, nurse practitioners, physician assistants/associates) interested in receiving free continuing education credits through Weitzman ECHO are encouraged to attend these virtual interactive learning communities.
<b>Registration</b>	Providers are asked to commit to attending at least 60% of the sessions for the ECHO(s) of their choice.  Scan the QR code or go to <a href="https://bit.ly/3ZuBaM8">bit.ly/3ZuBaM8</a> to register. After registration additional onboarding details will be sent to confirm your participation.
<b>Weitzman ECHO Medication Assisted Treatment (MAT)</b>	Weitzman ECHO MAT provides front-line primary care providers and teams with the support and expert advice that they need to gain confidence in their management of opioid dependence with buprenorphine. This CME/CE opportunity meets the new Medication Access and Training Expansion (MATE) Act requirements from the U.S. Drug Enforcement Administration (DEA) for training on substance use disorders.  Meets every 4th Tuesday of the month from 9:30 a.m. to 11 a.m. Pacific Time (PT)  For more information, scan the QR code or go to <a href="https://bit.ly/3PT8B70">bit.ly/3PT8B70</a> .
<b>Weitzman ECHO Key Populations</b>	Weitzman ECHO Key Populations focuses on topics of need for the treatment of patients experiencing health disparities secondary to stigma. Topics include HIV prevention, screening, and management, viral hepatitis screening and treatment, substance use disorder management, Lesbian, Gay, Bisexual and Transgender (LGBT) health including gender-affirming therapy, and Sexually Transmitted Infection (STI) screening and treatment.  Meets every Friday from 10 a.m. to 11 a.m. Pacific Time (PT)  For more information, scan the QR code or go to <a href="https://bit.ly/3ESW0v5">bit.ly/3ESW0v5</a> .
